

WASHINGTON (May 27) – Congressman Spencer Bachus (AL-6) said Memorial Day is a time for Americans to pause and reflect on the honor and sacrifice shown by our men and women in military uniform.

“Memorial Day reminds us that there is a cost to keeping America free. But that is a price that our troops have always been willing to pay, including our brave men and women now serving in Iraq,” Congressman Bachus said in a video tribute to our nation’s fallen heroes.
